**Re: A. H. Belo Corporation
Amendment No. 2 to Registration Statement on Form 10
Filed January 4, 2008
File No. 001-33741**

Dear Mr. Coleman:

We have reviewed your responses to the comments in our letter dated December 18, 2007 and have the following additional comment.

Summary and Selected Financial Data, pages 10 and 41

1. We have reviewed your response to prior comments 6 and 8 regarding the presentation of the non-GAAP measure, “combined EBITDA.” We further note your revisions in the document to remove this non-GAAP measure, other than from within Summary and Selected Financial Data. We suggest that you further expand the discussion under “Financing Arrangements” on page 35 and the last paragraph under “Financing Cash Flows” on page 53 to specifically disclose that “combined EBITDA,” subject to certain adjustments, is used as a measure in certain *material financial* covenants of the revolving credit facility agreement. [Reference is made to your disclosure in footnote (d) to the tables on pages 10 and 41; *emphasis added*]. Also, as “combined EBITDA” is used here as a measure of liquidity, please revise your table reconciliations under “Other data” on pages 10 and 41, to reconcile “combined EBITDA” to “cash provided by operations” as shown in the combined statements of cash flows, rather than “net earnings (loss).” Alternatively, if the aforementioned covenants are not considered material or if information about the covenants is not material to an investor’s understanding of your financial condition and/or liquidity, you should delete the presentation of “combined EBITDA” on pages 10 and 41. In this regard, we note your disclosure on page 35 that you expect to have no borrowings under the Credit Agreement at the time of the distribution. Therefore, it appears that your covenants are not material at this time and your presentation of “combined EBITDA” should be
